## Lost Property

There are a significant amount of school uniform items currently in our lost property area. As previously communicated, it is very important that all uniform items are clearly labelled with your child's name, especially if they are likely to remove them during the day. This allows us to return lost items directly to their owners.

If your child is missing any uniform items, we encourage you to check the lost property area, which is located near the double glass sliding doors in the main corridor, as there is an enormous amount unclaimed! Please note that any unclaimed uniform items remaining at the end of term will be placed into our second-hand uniform supply.

Thank you for your understanding and support.

## Thank You to our School Production Sponsors!

At St Dominic's School, theatrical magic isn't just about the bright lights, exuberant dance steps, or nostalgic music - it also relies on the generosity of community partners who champion Arts education and supporting our little SDPS family. We are delighted to welcome **Auto Motor Group** as a Major Sponsor for our 2025 production, *Dancing Through the Decades*.

### Why Auto Motor Group stands apart:

- **Experienced & Trusted:** Since 2009, founders Mark Liszczak and Sam Skilbeck have grown Auto Motor Group from 25 cars in Port Melbourne to 75-100 in Oakleigh South, while staying hands-on and personal.
- **Quality & Peace of Mind:** Every car is Redbook-inspected, roadworthy certified, and backed by warranty - with extended cover available up to five years.
- **Sourcing Made Easy:** If it's not in stock, their national network can find it—plus they offer great value on trade-ins.

Their support of *Dancing Through the Decades* helps us direct more resources to creative direction, costumes, technical effects, and ensuring that every student - regardless of background - can participate and flourish.

Please join us in thanking Auto Motor Group for driving our vision forward. We encourage families to visit them at 21C Edinburgh St, Oakleigh South, or check their current stock online to experience their dedication to quality and service for yourself. Thank you, Auto Motor Group - for believing in education, community, and the power of performance.

**SECRET AGENT SOCIETY® SMALL GROUP PROGRAM**

**SOLVING THE MYSTERY OF SOCIAL ENCOUNTERS**

[www.secretagentsociety.com](http://www.secretagentsociety.com)

Hi, I'm  
**AGENT ARDON**

I help Cadets complete the Secret Agent Society Small Group Program.

After completing a months-long program of Cadet Club Meetings and real-life practice missions, your child will graduate as a 'Secret Agent' with the social and emotional tools they need to be resilient in the real world.

By learning secret codes and collecting digital gadgets to use at home, school and play, your child will learn to:

- ✓ Decode how they and others feel and act
- ✓ Build their own formula for friendships
- ✓ Cope with change
- ✓ Solve social and emotional problems
- ✓ Recognise and respond to bullying

**WHAT IS SECRET AGENT SOCIETY?**

The award-winning and evidence-based SAS Small Group Program has been improving the lives of 9-12 year olds around the world for more than a decade.

Starting as 'Cadets', children join regular club meetings with trained SAS Facilitators where they learn codes and tools designed to build their social-emotional resilience.

Paired with 'secret agent' missions at home and school, the program focuses on diversifying four key life skills:

- **Emotion Recognition** in themselves and others around them
- **Emotion Regulation** focusing on anxiety and anger
- **Problem Solving** in social-emotional situations
- **Social Connection** including skills for friendship and teamwork

All the program resources are accessed via the specially-designed SAS online platform. It includes a Mentor Portal for parents and teachers plus the child's SAS Digital HQ, Mission Journal, SMI Tracker and more.

Cadet Club Meetings and Parent Group Meetings are also joined through the SAS online platform, allowing for meetings to be held face-to-face, via Telehealth, or a combination of both.

SAS Facilitators have completed intensive training in how to provide the SAS Small Group Program.

Ask to see their SAS Training Certificate today!

**CAREGIVERS AND SCHOOLS ARE AN INTEGRAL PART OF THE SAS SMALL GROUP PROGRAM.**

The child's adult support network play a critical role in coaching Cadets as they develop and practise their newly-learned skills. This level of support and practice at home and school is one of the reasons why SAS is so successful.

**HOW CAN SECRET AGENT SOCIETY HELP MY CHILD?**

The SAS Small Group Program prepares your child for life's social and emotional challenges in a fun and effective way. By capturing children's attention through spy-themed gamified learning, SAS will help your child reach their social and emotional goals.

**PREPARE YOUR CHILD FOR LIFE'S SOCIAL AND EMOTIONAL CHALLENGES IN A FUN AND EFFECTIVE WAY.**

Multiple research studies support the effectiveness of SAS when led by trained professionals in clinic, school and telehealth settings. Over 20 publications including four Randomised Controlled Trials (RCTs) explore the use of SAS for children with social and emotional goals including children diagnosed with Autism, ADHD, and Anxiety.
